Music Under the Stars

Wales Manor Vineyard and Winery will be hosting "Music Under the Stars" once again this year. Several dates are being considered and the schedule will be finalized soon. If you have never had a chance to attend, try to get out to the Winery this summer and find out what it's all about. You'll be sipping wine while you sit outdoors under the stars with a great band and great friends. Can you think of anything much more enjoyable? This is a wonderful experience at the Winery. Be watching for the date and get it on your schedule.

It's Almost Time -

Wine Club Blending Event Coming Soon

When is the next Wine Club Blending Event? We get asked that question all the time. Well, it's almost here. 2008's Wine Club Blending Event was great fun. If you didn't get a chance to join us last year for our Wine Club Blending Event at the Triple "R" Ranch & Winery, you won't want to miss it again. We all had entirely too much fun as was evidenced by how much wine was, shall I say, consumed!

Wine Facts

The January/February 2009 Wine Club Shipment features the Ranch Wines 2005 Longhorn Shiraz and Wales Manor's Non-Vintage Muscat du Bois

Syrah (Shiraz) - Syrah can produce monumental red wines with strong tannins and complex combinations of flavors including berry, plum and smoke. Shiraz, which is the original name, is known mainly in Australia and South Africa. Californians changed it to Syrah when they began producing it there.

Muscat - The white Muscat grape produces spicy, floral wines that often do something most other wines don't: they actually taste like grapes. Muscats can range from very dry and fresh to sweet and syrupy. This varietal is often served with puddings and chocolate desserts.

Look for these selections at the Valentine Wine Pairing Dinner.
